Information Disclosure Statement

In the Office Action mailed July 7, 2003, the Examiner indicated that the Information Disclosure Statement filed January 3, 2001 failed to comply with the provisions of 37 C.F.R. §§ 1.97, 1.98 and MPEP § 609 because it did not enclose the relevant documents. Applicants sent the cited references with the information disclosure statement. Nevertheless, because the Examiner did not receive them, Applicants re-submit copies of the Information Disclosure Statement, the PTO-1449 Form, and all of the references as previously filed for the Examiner's review and consideration.

It appears that the Examiner also did not consider the U.S. patent documents submitted with the Information Disclosure Statement filed August 27, 2001. Applicants are resubmitting those references with this information disclosure statement.

Applicants attach a check for \$43.00 to cover the cost of filing one additional independent claim.
